Description

Our aluminum PWC trailers provide heavy-duty performance with the weight-saving benefits of the industry's finest extruded I-beam aluminum frame construction for hauling up to two PWCs. Our patented I-beam construction provides exceptional strength and durability. Concealed U-bolts and appealing graphics create a trailer as good-looking as it is strong.

Carpeted, fully adjustable bunks safely cradle any PWC. Stylish diamond-plate fenders and dual winchstands along with LED lighting are standard. Optional aluminum wheels make this model line stand out from all the competition. All of these features are backed by the industry leading Load Rite 2 + 3 Warranty.

- Specifications:
- Torsion Axle
