**Description**

Since 1982, Big Tex Trailers has established its place as America's #1 professional grade trailer manufacturer by focusing on the needs of their customers and delivering industry-leading quality, durability and value. "For more than 35 years, Big Tex Trailers has been synonymous with heavy-duty, professional-grade, highest-quality trailers. Thanks to unparalleled knowledge of the market, our products are consistently regarded as the best in the industry, built using only the best materials, parts, paints and processes. We understand the rigors our customers put their trailers through each and every day because we are trailer owners ourselves. We know what it means to have a trailer that works with you while you drive, work and play, and that's reflected in each unit that comes out of the factory".
